

## Project Jericho

As we continue to brave the journey to the Promised Land, we pray that you are experiencing an abundance of joy during this shift. Continue to consider the positive lessons from God along the way. We are now beyond Jericho where we can take the land that God has promised, and sustain it. Let us not forget that when we take land, we must also sustain it. Coming soon, we will unveil the newly remodeled “iXL” children’s church area which is our commitment to our children, as well as the Jericho wall of cities that will help us understand the Jericho Project and how each and every one of us can be a part of “Possessing what is Promised”.

See you soon, The Jericho Committee

## Thank You from Pastor and First Lady

Thanks to everyone who shared with us during our 25th anniversary of serving at JNAC. Whether you were there physically or wishing us well on FB. We had an awesome time and God truly met us there. The future looks bright and the path was made plain as we are learning how to pass the baton. Let's continue to run this race together with faith and grace. May God bless you a hundred fold.

Thanks again,  
Pastor and First Lady Caples
